Reading God's Holy Word each day is time well invested. We are thankful for the precious Scriptures that God ordained to inspire and preserve for us, so we read every word.

Read the Bible in one year. This schedule is designed for reading aloud.

The amount of time it takes for each day's reading in this plan is calculated to be very consistent, and can be expected to take between twelve and fourteen minutes. The intent of this consistency is in the hope that we will be more likely to schedule this reading each day, since we will know how long it will take.
